G. O. 1313 Revenue dated 19th December 1903.
G. O. 648 Finance dated 19th July 1923.

Submitted to Government.

2. The Board recommends the Collector's proposal.

3. The Board suggests that the Government may be pleased to consider whether the G.Os read above should not be withdrawn now. They were made in days when Coondapur was isolated from the Head Quarter in the monsoon. Now buses ply through the monsoon to Mangalore and there is a fully bridged road from Coondapur to Mangalore (inland) The Sub Collector, Coondapur is in no sense cut off either personally or with regard to tappal. The Commissioner does not remember that when he was Collector of South Kanara a Divisional Officer ever sought to stay in Mangalor. It must disorganise his work, especially his magisterial work, completely.

Ref:- G.O.No.Ms.592, Revenue Department, dated 4-4-1944.

Mr. D.D.Sathe, Sub Collector, Coondapur, was permitted to remain at Mangalore during the last monsoon for a period not exceeding 3 mont from 4-7-43. Sri M. Purandhara Amin, effg. clerk of his office first accompanied him to Mangalore. Subsequently, this clerk was tranferred to the Collector's Office and Sri K.Ramachandra Upadya took his place. He joined duty on 1-8-43 at Coondapur and proceeded to Mangalore. There was no further change of clerks. Two peons, viz., K.Rama Ganiga and K. Ramakrishna first accompanied the Sub Collector to the temporar headquarters (Mangalore). But later, as peon K. Ramakrishna was found unfit for camp work, peon K.Ganapaya was ordered to go from Coondapur to Mangalore. He accordingly performed his journey to Mangalore on 2-8-43 and continued there.

2. The instructions on point (ii) contained in the Accountant-General's letter No.G.A.-I.C.S.-1939, dated 19-1-44 communicated with the G.O. cited above, require that if there are changes in the staff the grant of travelling allowance and daily allowance to the members other than those who first accompanied the Sub-Collector, the fact should be specially referred to Government for orders on the lines of the decision in para 7 under the Madras Travelling Allowance Rules on page 165 of the Audit Manual. Again, according to the audit instructions under rule [illegible] A.

contained at page 151 of the Audit Manual, the establishment accompanying the officer to the temporary headquarters is also eligible for T.A. in respect of journeys to and from the temporary headquarters. I , therefore, request you to obtain the sanction of Government for payment of T.A. as well as daily allowance for the days actually be during the first ten days of stay at Mangalore in the case of clerk K. Ramachandra Upadya and peon K. Ganapaya.

Tms. (Please see the Board's Reference vide the dt.)

2. The Revenue Divisional Officer, Coondapoor and his establishment are permitted to reside at Mangalore for 3 months every year on account of the monsoon — please see G.O. No 1313 Rev dt 19.12.1902, G.O. No. 648 Finance dt 19.7.23 and p 151 of the Audit Manual. In G.O. No. 692 Rev dt 4.4.44 the Government agreed with the A.G. that if there are changes in the staff, the grant of travelling allowance and daily allowance to the members other than those who first accompanied the sub collector should be specially referred to the Government for orders. The recommendation of the Collector and the Board to grant travelling allowance as well as daily allowance for the first ten days of stay at Mangalore to Sri K. Ramachandra Upadya, clerk and K. Ganapaya, peon when they worked under the Sub Collector, Coondapoor, during the 1943 monsoon may be accepted.

3. The Board of Revenue has also recommended that the permission granted to the Sub Collector, Coondapoor and his staff to stay at Mangalore for three months during the monsoon each year may be withdrawn. The permission was first granted in 1865. It was granted because the monsoon made it impossible for the Sub-Collector to

tour in his division and the Sub Collector's presence at the Head quarters was of assistance in the preparation of Jamabandi accounts — please see p17 of Go 1313 Revenue Cf 19.12.1903. The Magisterial work was not heavy in those days — please see p15 of the same G.O. It is for orders whether in the circumstances stated by the Board of Revenue at p1c, this department may agree that permission may be withdrawn. The Board says that Communication from Coondapur to Mangalore during monsoon is now possible. The main reason for granting the concession seems to be that it is impossible for the Revenue Divisional Officer to tour in his taluks during the monsoon. It will be seen that the sub collector found it necessary to avail himself of the general permission in 1943 — p1c. In orders. pp.13-17 g (c)

If the Board's proposal is accepted, a draft order is submitted for approval. (As it is not known whether the Sub Collector has already left for Mangalore this year the date from which the permission is withdrawn need not be mentioned). Public & Finance may see.
